About Faculty - Mr. C Y Ajgaonkar

C Y Ajgaonkar (58) had thirty-three years of experience in various types of industries, mostly in two larger Indian corporate groups namely Eicher and RPG. Other than line function he had spent a decade in Eicher Consultancy Services helping many manufacturing and service organizations to achieve excellence. Inspired by the exposure to manufacturing excellence at the beginning of his carrier, over a period of time he developed his expertise in the area of Operational excellence and organizational transformation.

Last fifteen years he was leading the Transformation journey at RPG group, especially at CEAT. Led the transformation journey of CEAT and won the Deming Award for the entire company. Today he is one of the experts in the area of Japanese Manufacturing and management system. He is helping many Indian companies to achieve excellence and get recognized at global level.

C Y Ajgaonkar is certified lead assessor of CII EXIM award and a senior member of Indian Society for Quality. He is member of Deming Advisory Committee of JUSE for Indian companies. He is trained and certified facilitator of LSIP by Kathleen Dannemiller who is the innovator of LSIP. Successfully implemented the methodology in large and small corporates for like Deepak Fertilizers, Rallis India, GCMMF (Amul), RPG Group, CEAT with group size ranging from 100 to 600 people at a time for development and deployment of Vision, Values and strategies.
